Works on: Paint, plastics (Lexan, Acrylic, Plexiglas), clearcoat, fiberglass, laminates, chrome

Use on: RVs, motorcycles, cars, aircraft, boats, face shields, windshields, goggles, glasses, etc.

Directions for use:

Clean surface first to remove dirt. Shake well. Apply small amount of product to Applicator Pad and rub in circular motion for 10 to 20 seconds. Wipe excess off and repeat until scratch, swirl, haze or oxidation is gone. Use Micro-Fiber cloth to remove excess material. Buff dry and apply **WhamBAM** DETAILER to entire surface to shine and help resist future surface marks. Do use on Soft Urethane Paint.

May be applied to clearcoat, acrylic, and hard urethane paint, lexan, acrylic plastic, objects from chrome.
